Article 3- Relevance

These general conditions/terms apply to any offer of the entrepreneur and to every finalized distance agreement between entrepreneur and consumer.

Before the distance agreement is concluded, the text of the general conditions/terms is being made available to the consumer. If this is reasonably not possible that before the distance agreement is concluded, it will be indicated that the general conditions/terms can be seen at the entrepreneur and on request of the consumer these general conditions/terms shall be sent to the consumer as soon as possible without extra costs.

If the distance agreement is concluded electronically, notwithstanding the previous article and before the distance agreement is concluded, the text of the general conditions/terms can be made available electronically to the consumer in such a way that the text can be saved in a simple way on a durable medium. If this is reasonably not possible that before the distance agreement is concluded it will be indicated where the consumer can find the general conditions/terms electronically and that these conditions/terms at the consumer's request will be sent electronically or otherwise to the consumer without extra cost.

For the case that besides these general conditions/terms, specific product and service conditions are also applicable, the second and third article are mutatis and in case of conflicting conditions/terms the consumer can appeal on the relevant conditions/terms which are the most favorable for the consumer.

Article 4- Offer

If an offer has a limited validity or has other specifications, this will be emphatically mentioned.

The offer contains a complete and accurate description of the offered products and services. Obvious mistakes and errors do not bind the entrepreneur.

Each offer contains such information that it is clear for the consumer which rights and obligations are related to the offer when it is accepted by the consumer. This concerns in particular:

Price inclusive taxes

Possible costs of delivery

The method of payment, delivery and performance of the contract

If the agreement after the conclusion is archived and if so how to consult it for the consumer

The manner in which the consumer, before concluding the agreement, can check and if necessary also restore the information provided by him under the agreement
Any other languages, including Dutch, for the agreement
The codes of conduct to which the entrepreneur is subject and the manner in which the consumer can consult electronically the codes of conduct; and

Article 5- The Agreement

The agreement is finalized, subject to the provisions in paragraph 4, at the moment the consumer accepts the offer and meets the conditions.

If the agreement is concluded electronically, the entrepreneur will take appropriate technical and organizational measures to protect the electronic data transfer and that he will ensure a safe web environment. If the consumer can pay electronically, the entrepreneur will observe the necessary security measures.

The entrepreneur can notify or check, within the legal framework, if the consumer can meet the payment obligations, and also check all important facts and factors which are needed to finalize a sound distance agreement. If the entrepreneur based on research, has good reasons not to conclude the agreement then he is entitled to motivate and to refuse an order/ request or he can connect special conditions to the execution of the offer.

The entrepreneur shall send the following information with the products or services, written or in such a manner that the consumer can store in an accessible way the data on a durable medium:
